WELCOME TO THE EGYPT ENERGY SHOW (EGYPES)

EGYPES, taking place in Cairo from 17 - 19 February 2025, is a prominent global platform that unites leaders from various sectors of the energy value chain, including energy, technology, finance, private enterprise, and the public sector. The upcoming edition of EGYPEs aims to foster practical solutions for a future energy landscape characterised by reduced carbon emissions and collaborative growth.

Under the patronage and active participation of His Excellency Abdel Fattah El Sisi, the President of the Arab Republic of Egypt, EGYPEs builds upon a rich history of innovation and progress. EGYPEs serves as a dynamic hub that brings together diverse perspectives, facilitating meaningful discussions among regional and international thought leaders to tackle the most critical energy challenges.

As Egypt, alongside the wider Middle East, North African and the Mediterranean region, continues its journey towards energy security and transition, EGYPEs 2025 seeks to forge partnerships for progress and timely action, strengthening Egypt's position as a leading force in shaping the future of energy.

SPONSORSHIP OPPORTUNITIES GAIN COMPETITIVE ADVANTAGE FOR MAXIMUM EXPOSURE

NETWORKING OPPORTUNITIES

EGYPES offers an exceptional platform for networking, empowering companies to establish crucial connections with industry experts, potential clients and influential decision-makers who are actively seeking innovative energy solutions.

BRAND EXPOSURE

Participating in EGYPEs provides an unparalleled level of visibility. Showcase your portfolio to a diverse and engaged audience, effectively boosting brand awareness and expanding your market presence, ultimately gaining a competitive advantage.

INDUSTRY INSIGHTS

Embrace the numerous platforms to position your brand as a leading industry voice while demonstrating your innovative products. EGYPEs is an exceptional all-encompassing show that incorporates the exhibition, conferences, roundtables and more, presenting a unique opportunity for your brand to not only showcase your products but also for your management to participate in thought leadership discussions.

GLOBAL INNOVATIONS

Showcase your unwavering commitment to innovation and expertise in the energy sector across a tailored space to introduce your product portfolio, cutting-edge technologies and sustainable solutions, positioning your company as a leader for competitive advantage.

BUSINESS DIALOGUE

As an EGYPEs sponsor, leverage EGYPEs diverse platforms and audience to drive significant commercial development. Benefit from engaging in valuable face-to-face interactions with a wide range of businesses for a full pipeline of commercial prospects for your financial targets. Gain invaluable client feedback to better understand evolving needs and preferences and foster strong client relationships.

TARGETED AUDIENCE

The exhibition draws in targeted visitors who are actively seeking to align their requirements, fostering a dynamic business environment. Seize the opportunity to present your products and solutions to an extensive and diverse focus group of potential clients, not only from Egypt but also from the broader North African region and beyond.

WHO EXHIBITS ACROSS THE FULL ENERGY VALUE CHAIN

Transitioning to the Egypt Energy Show - EGPES - the upcoming and 8th edition has undergone transformations to align with the ever-evolving global energy industry. Embracing a fast-changing and inclusive landscape, EGPES 2025 is set to empower an affluent yet responsible energy agenda that supports all stakeholders.

EGPES 2025 promises a comprehensive energy dialogue and showcase, with emphasis on the full spectrum of energy, and transition-centric collaborations for the future. Access to international energy solutions and strategic insights, and steering a commitment to promoting climate-conscious energy practices at local, regional, and global levels, an impactful energy experience is in store.

Our focus will be on opportunities related to advancements in energy technologies, sustainable practices, and collaboration with experts in renewable and clean energy, decarbonisation, and efficiency.

EGYPES FUTURE ENERGY ZONE

Step into the future at the EGPES Future Energy Zone, a comprehensive showcase at EGPES 2025 set to leave no aspect of energy transition unexplored and promising to be a game-changer for exhibitors and visitors alike. Welcoming companies looking to advance and collaborate on the road to achieving net-zero, the EGPES Future Energy Zone expands upon the shared prerogative expressed among the EGPES community to transition and address sustainable, responsible solutions for the future.

Zone sponsors will receive, where possible, branding and recognition in association with that specific zone before, during and after EGPES. This includes, and is not limited to, the following:

- Digital arch branding located at the entrance of the Future Energy Zone in Hall 1
- Branding within the Zone's that will be hosting various conference sessions
- Branding on print and digital marketing collateral i.e. on dedicated emails, web pages, programmes and brochures.

Opportunity: 1 Sponsor
Price: \$50,000 + 14% VAT

STARTUP ZONE HEADLINE SPONSOR

Building upon the burgeoning potential of new energies and the resounding success of the Startup Zone unveiled in 2024, EGPES 2025 is poised to provide an unparalleled platform for emerging innovators shaping the energy landscape.

The Future Energy Zone emerged as a dynamic hub for industry titans to showcase cutting-edge technologies driving the net-zero agenda, underscoring the commitment to innovation and sustainability. Within this ecosystem, the Startup Zone took center stage, providing a dedicated spotlight for emerging innovators to amplify their role in shaping the future of energy.

The sponsor's logo will be featured as the Headline Sponsor for the Startup Zone on EGPES webpage, promotional materials such as flyers and brochures, email marketing campaigns, and other marketing collaterals. Additionally, the sponsoring company will be included in the presentation schedule, and their logo will appear on all relevant onsite signage for the Startup Zone.

Opportunity: 1 Sponsor
Price: \$50,000 + 14% VAT

In addition to advancing large-scale green hydrogen projects, Egypt has great opportunities for energy transition, benefiting from a highly qualified workforce, which will aid in achieving this transition.
